TOREROS DEFINED

The University of San Diego, which sponsors sixteen NCAA Division I intercollegiate teams, competes under the athletic nickname of Toreros. In 1961, the Most Reverend Bishop Buddy, the founding father of USD, announced that the school's nickname would change from Pioneers to Toreros. "The name Toreros is keeping with the friendly relationship which exists between San Diego and Mexico," His Excellency said at the time. Torero comes from the spanish term toro, the bull, and from the word torear, to fight bulls. All of the contestants in the ring are called toreros. Torero is a general term describing a bullfighter and signifies courage, honor and fidelity. USD student-athletes, like the Torero, represent a willingness to stand alone in the ring and accept the challenge.

The past 2000-2001 school year marked the 40th anniversary with Toreros as the official nickname for USD athletic teams.

TOREROS GEARING UP FOR SOLID 2001 CAMPAIGN

Kyle Slusser

Sixth year coach **Kevin McGarry** returns 67 players and 14 starters from last year's club that finished 4-6 overall and 1-3 in the Pioneer Football League. Experience will be found on the defensive side of the ball, and with the special teams unit, but the Toreros will be overhauling its offense with seven starters gone.

Spearheading the defense will be returning First Team All-PFL performers **Brian Luman** (5-11, 218, senior) and **Bryan Baxter** (5-11, 210, senior). Luman, who moved to safety after the loss of starter **Kyle Slusser** (broken leg), led the Toreros in tackles with 101 (57 unassisted). Selected the team's Defensive Player of the Year, he also chipped in with 5 interceptions (110 return yards) and 7 pass break-ups. A versatile athlete, he twice was voted the PFL Player of the Week for defense, and even earned one PFL Special Teams Player of the Week honor. He averaged 28.1 yards per kickoff return for the Toreros. Baxter earned First Team honors this past season after racking up 83 tackles and 3 quarterback sacks. A three-year starter, he was named to the PFL's Second Team in 1999 after he tallied 93 tackles.

Two players that will make an immediate impact on the Torero defense include seniors **Kyle Slusser** (6-0, 190, safety) and **Anthony Banovac** (6-1, 260, tackle). Both players were lost last season due to injury after earning Second Team All-

PFL honors in 1999. Slusser should move back into the safety slot where he accounted for a team-best 97 tackles and 4 interceptions in 1999. He is currently tied as the Torero career record holder for interceptions with 12. Banovac returns to the tackle position where he notched 34 tackles and had a team-best 7 sacks in 1999.

Other starters back that make the Torero defense such a strong unit include junior defensive back **Marvin Banks, Jr.** (5-7, 156), senior DL **Brandon Camacho** (5-9, 231), senior defensive back **Jason DeMello** (5-8, 180), senior tackle **Joseph Herrera** (6-1, 255), and senior defensive back **Wesley Morgan** (5-10, 180).

The special teams corp will be in good hands with the return of senior punter **Dylan Mora** (Honorable Mention All-PFL, 36.3 average), and kicker **Brent Labarrere** (6-1, 180). While Luman will be the main return man for kickoffs, Mora should handle punt returns again after averaging 11.1 yards per return in 2000 and earning the team's Special Team's Player of the Year award. **Kyle Slusser**, back from a leg injury, will also play a key role on both kickoff and punt returns for the Toreros.

The Torero offensive unit was the hardest hit due to graduation, most notably running back Oscar Arzu (857 yards, 8 TDs) and quarterbacks Mike Stadler (1,520 yards; 11 TDs) and Tom Jackson (544 yards; 4 TDs). Also gone are wide receivers Mark Pappas (44 catches, 578 yards, 3 TDs) and Matt Hackett (41 receptions; 592 yards, 4 TDs), and lineman Christos Renner.

The offensive cupboard wasn't left completely bare, however, with senior center **Justin Dixon** (6-3, 280), a First Team All-PFL selection, back to anchor the offensive line. He will be joined on the line by returning starters **Matt Collins** (6-5, 290, sophomore tackle) and **Matt Guardia** (6-2, 253, senior tight end). Guardia was named to the PFL's Second Team after hauling in 12 passes for 98 yards and 1 touchdown. Seniors **Bob Ballard** (6-2, 306), **Seth Litchney** (6-2, 280) and **Ryan Zierolf** (6-3, 275) will all be competing for playing time across the offensive line. Junior **Kenny Villalobos** (186 yards, 1 TD) returns at fullback, and is expected to be joined in the backfield by junior tailback **Phillip Thrash** (137 yards, 4 TDs). Senior **Damien Minna** (5-10, 210), who moves over from the linebacker position, joins sophomore **Bryan Newbrough** (6-1, 205) and two-way performer **Josh Calista** (6-1, 225) for players pushing for playing time in the backfield. All the other offensive spots are up for grabs heading into the 2001 campaign, including the quarterback spot. Sophomore returners **Ryan Lawrence** (6-4, 220) and **Eric Rasmussen** (6-3 210), along with transfer **Brian Kirkpatrick** (6-3, 215), will all be battling for the starting quarterback slot.

The Toreros will play seven of their ten games at their home field, Torero Stadium. The stadium received a facelift this past summer, receiving additional seating (6,000 total capacity), new turf, new lighting and sound system, and additional press box space. Brown (Sept. 15th) and Georgetown (Nov. 3rd) will highlight USD's home nonconference schedule, with Drake (Sept. 29th) and Butler (Oct. 20th) its two PFL home opponents.

KEVIN McGARRY

- ◆ *6th Season as Torero Head Coach*
- ◆ *24th Season on USD Coaching Staff*

Kevin McGarry enters his sixth year as head coach of the University of San Diego football program. With 67 returners and 14 starters back from last season, McGarry is optimistic the Toreros will improve on last year's 4-6 season.

In 1997 he directed the Toreros to an 8-3 overall mark and a school best second place finish in the Pioneer Football League with its 4-1 mark. The 1997 campaign was USD's best showing since moving to the NCAA Division I-AA ranks and the PFL conference in 1993. The '97 club became only the fourth USD squad to achieve at least eight victories in 35 years of Torero football, and it was the program's most victories since the 1981 season. The team's 33.6 points per game average ranks second all-time in USD football.

The tenth coach to direct the Torero football program since its start in 1956, Kevin is the first USD graduate to head the position. McGarry enters the 2001 season with a career mark of 23-28.

McGarry is no stranger to USD football. Prior to his stint as head coach in 1996, he was an assistant coach at the University of San Diego for eighteen seasons, including the last fourteen as the defensive coordinator and defensive backs coach. He became a full-time assistant for football in 1985 -- his first seven years (1978-84) were split between football, women's softball (head coach) and as an elementary school teacher. In addition to his on-the-field duties, Kevin was also responsible for recruiting and as liaison for the USD Football Alumni Club.

"Kevin's years of experience at USD have prepared him well for this position," stated Tom Iannacone, Director of Athletics. "He clearly understands the role of the football program within the mission of the university."

Over the past twenty-three seasons with Kevin on the coaching staff, USD has accumulated an overall record of 124-102-3, including sixteen seasons with records of .500 or better. Of the nine USD football players that have been named GTE/CoSIDA Academic All-Americans since 1981, eight have come from the defensive side of the ball, including seven defensive backs. In 1987 the Torero defense set a school record for shutouts in a season with four, and the team gave up just 100 points in ten contests and finished 6-3-1.

Prior to joining the USD coaching staff in 1978, Kevin was a two-year letterwinner on the USD football squad (1976-77), earning co-Defensive Player of the Year honors in 1977. He played two years (1974-75) at Saddleback College in Mission Viejo, California, earning Most Valuable Player honors in 1975.

He received both his Bachelor of Arts in Education (1979), and his Master's Degree in Education Administration (1985) from the University of San Diego. He is currently on a leave of absence from USD's Doctoral program in Education.

Kevin and his wife, Mary Ann, reside in Scripps Ranch and have four children: twins Pat and Mike (14 year-olds), Timbo (11-year-old), and Matt (5-year-old).

GREG QUICK

Offensive Coordinator & Offensive Line Coach

Greg Quick returns for his third season where he will again be the offensive coordinator and offensive line coach. While directing his "Surf & Turf" offense at USD, numerous Toreros have excelled in his system - most notably receiver Dylan Ching, quarterback Mike Stadler and running back Oscar Arzu, all recent graduates who entertained the Torero fans while setting both single season and career records.

Prior to coming to USD, the Painesville, Ohio native spent the previous decade orchestrating the renewal of two NCAA Division III football programs. At St. Norbert College, in DePere, Wisconsin, he directed his squad to a share of the division title in 1994; and while at the University of Chicago, helped the 1993 program amass the most wins since the Amos Alonzo Stagg team of 1929.

Other coaching stops have included Claremont-Mudd Colleges (Def. Coord.; 1988-89), Edinboro University (Def. Coord.; 1986-88), New Mexico State (LB's; 1985-86), Heidelberg College (Off. Coord.; 1984-85), St. Edward HS (Def. Coord.; 1983-84), and Emporia State (Def. Coord.; 1981-83 and Off. Line; 1979-81). Coach Quick's playing career at Baldwin-Wallace College in Brea, Ohio, was highlighted by the team winning the 1978 NCAA Division III National Championship.

An accomplished motivational speaker, Quick has delivered his "Quick Success" message to numerous businesses and organizations. Greg and his wife Jeannie, who have been married 22 years, reside in the Scripps Ranch area of San Diego with their six children: Phil, Nate, Bonnie, Ben, Brittany and Corey.

BOB TOMPISON

Defensive Coordinator & Linebackers Coach

Bob is in his third year as a full-time USD assistant where he will again be defensive coordinator and linebackers coach. In addition to his coaching duties, he plays a major role in USD's recruiting efforts.

Tompison coached USD quarterbacks for two seasons (1996, 1997) before taking a position as quarterbacks/wide receivers coach in 1998 at Marietta College in Marietta, Ohio.

Before coming to USD he was defensive coordinator and quarterbacks coach at Montclair Prep HS in Van Nuys, California for two seasons (1994, 1995). The 1994 squad won the CIF Championship.

Prior to Montclair he held coaching positions at Occidental College (1993); head coach at Bishop Montgomery HS (1992); head coach at Pius X (1991); head coach at Daniel Murphy HS (1990); quarterback/wide receiver coach at Occidental (1988, 1989) where they were two-time SCIAC Champs; tight end coach at El Camino College in 1987 where they were crowned National Champions; and wide receiver coach at Nevada (1983-84), where they won the Big Sky title in 1983.

Bob earned his B.S. degree in Physical Education & Health in 1982 from Western Michigan (he played wingback for four years); and more recently earned his M.Ed. (emphasis in P.E.) from Azusa Pacific. Bob and his wife Jeannette have one son, Jamie (age 9).

MIKE RISH - Wide Receivers, 18th Year

Mike is beginning his 18th season on the Torero staff. He returns to coach the receivers, something he has done for sixteen of the past seventeen Torero seasons.

Mike played for USD from 1979-83 where he posted career numbers that make him one of the best receivers ever to play at USD -- he ranks second all-time with 101 receptions, 18 receiving touchdowns and 1,722 receiving yards. He held the school marks in all three career receiving departments from 1983 through 1997; he was passed recently by Torero receiver Dylan Ching.

In 1983 he was selected the team's scholar-athlete by the National Football Foundation and College Hall of Fame. In the Toreros nationally-televised game between Occidental in 1982, Rish was named the CBS Chevrolet Player of the Game.

Mike graduated from USD with an Accounting degree in 1984. He is the Vice President for Secondary Marketing for Guild Mortgage Company in San Diego.

JOE ROSIELLO - Defensive Line, 2nd Year/ Special Teams Coordinator

Joe begins his second season with the Toreros where he will again coach the defensive line. He also takes on additional duties as Special Teams Coordinator.

He brings a wealth of coaching experience with his most recent stop before USD being at the Coast Guard Academy where he was defensive line coach for two seasons. He also gained coaching experience at Holy Cross in 1997, assisting the linebackers; he coached the offensive line at Fordham in 1996; and he was a student assistant for the offensive line at Boston University in 1995.

A 1996 graduate of Boston University where he earned his B.S. degree in Physical Education (Human Movement), Joe played two seasons at BU in 1991-92 as a defensive lineman. From Brooklyn, New York, he attended Stuyvesant High School where he earned two varsity letters in football and graduated in 1991.

SADIKI JOHNSON - Running Backs & TE, 1st Year

Sadiki begins his first season with the Toreros where he will coach the running backs and tight ends. He joins the Toreros from Phoenix College where he also coached the running backs and tight ends.

During the 1999 season, Sadiki was the Co-Offensive Coordinator at Shadow Mountain High School in Phoenix, Arizona. Prior to that he coached receivers and linebackers at Desert Vista High School in Arizona.

A 1999 graduate of Arizona State University, Sadiki earned his Bachelor of Arts Degree in History. He played running back for Norfolk State University during the 1997 season and for the University of Arizona from 1995-1997. Sadiki and his wife, Michelle, reside in the Linda Vista area.

THAD PORLAS - Inverts Coach/1st Year

Thad begins his first season with the Toreros where he will coach the inverts on defense. Porlas comes to USD from Mesa College where he coached the past four seasons with receivers and kick returners. Prior to that, he spent six years (1992-97) at Point Loma High School coaching receivers and defensive backs -- during that stretch Point Loma advanced to the CIF playoffs each season.

No stranger to USD, Thad played football for the Toreros for two seasons (1982-83) as a wide receiver. He graduated with his B.A. in Business Administration, and later earned two M.S. degrees in Education/Mathematics and Special Education. The past eleven years he has taught for the San Diego City Schools with Special Education.

A native San Diego, Thad graduated from Madison High School in 1978. Thad and his wife Sue have three children: Dane (15), Kalani (12) and Cheynna (9).

MONTY PECK - Quarterbacks Coach/1st Year

Monty begins his first year with the Toreros where he will coach the quarterbacks. Monty joins the Toreros from Arizona State University where he was a graduate assistant working with the offensive line. Prior to his stint at Arizona State, Monty coached the quarterbacks and defensive backs at Alhambra High School in Phoenix, Arizona. From 1997-1999, Monty held a similar position at Shadow Mountain High School in Arizona. In addition to his football coaching duties, he was also a track coach responsible for the jumpers.

From 1995-1997, Monty coached a variety of positions at North Canyon High School in Arizona, including wide receivers, defensive ends, linebackers and running backs. His track duties there involved coaching the hurdlers.

Monty's collegiate playing career began in 1986 at Garden City Community College where he was a quarterback. He also played quarterback in 1987 at Highland Community College. From there, Monty went on to Arizona State where he was a quarterback for one season in 1998 before finishing his career as a free safety.

STRENGTH & CONDITIONING

The University of San Diego Athletic Department has made a commitment to increase the athletic ability of the entire student-athlete population. Therefore, each student-athlete will be given a sport specific training program based on the metabolic demands of their position and sport. This is accomplished by training for the proper combination of power, strength, size, speed, agility, flexibility, endurance, and footwork. It is the responsibility of the strength and conditioning staff to design and implement workouts, teach and demonstrate proper lifting technique, and to monitor and evaluate each individual athlete's progress, while maintaining a positive environment to train in. Along with increasing athletic ability, the strength staff also has the goal of decreasing athletic injuries both in and out of the athletic arena.

Student-athletes at the University of San Diego have two facilities in which they are allowed to train. Both facilities contain olympic platforms, free weights, selectorized machines, and cardio-vascular equipment. The main facility is the 5,000 square foot sports center weight room, which is open exclusively to student-athletes throughout the day. The second facility, a 3,000 square foot fitness center is located within the Jenny Craig Pavilion, USD's 5,100-seat athletic center.

The goal of the strength and conditioning department is to educate and motivate each student-athlete to maximize their genetic potential and create an environment where athletes can develop into champions both mentally and physically.

The 2001 season marks the ninth year for the Pioneer Football League, and with it, comes the greatest changes since the league was formed in 1991. In fact, in the ninth year, the PFL is now nine members strong. Four new members – Austin Peay State University, Davidson College, Jacksonville University and Morehead State University – have joined the league and two divisions have been formed, with charter members Butler University, the University of Dayton, Drake University and Valparaiso University, plus the University of San Diego (joining in 1992) forming the North Division and the newest members becoming the South Division.

The PFL is committed to operating a quality football program for the benefit of student-athletes and the university community. It is comprised of NCAA Division I universities that previously sponsored intercollegiate football at other levels. With the passing of NCAA legislation at the January 1991 convention, Division I institutions were required to conduct all intercollegiate sports at the divisional level. Therefore, the five charter members (Evansville the fifth before dropping football in 1997) – joined together, sharing a common academic and athletic philosophy and a common commitment to operate quality football programs.

The league spent its first season in 1993 under the administrative guidance of the Missouri Valley Conference, but the offices moved to St. Louis in 1994, where current commissioner Patty Viverito took over PFL leadership.

In 1996, the Yankee Conference, a football only conference, disbanded as its members began playing under the Atlantic-10 umbrella, making the Pioneer Football League and the Gateway Football Conference the only Division I conferences that sponsor football as their only sport. Additionally, the PFL, the Ivy League and the Patriot League are the only NCAA Division I-AA conferences that provide only need-based financial aid for football players.

The PFL remains a proponent of NCAA Division I-AA legislation that would develop a classification for Division I football programs operating with need-based aid and adopted the moniker of Pioneer based on the intent to become the first league in that new division.

Shaney Fink

Shaney Fink begins her second year as USD's Academic Support Coordinator.

Two seasons ago she was on the Torero volleyball coaching staff as a first year assistant, helping the Toreros to a 23-6 record and second round finish in the NCAA Tournament. Prior to USD she gained coaching experience at the high school, college and international levels for four years. She capped off a stellar collegiate career (1990-93) at Cal Berkeley and won selection to the All-Pac 10 Decade Team.

Fink completed her B.A., graduating with honors in Social Science from Berkeley in 1994. She is currently working on a Masters Degree at USD in Counseling. Recently married, Shaney and her husband, Tom Vorkoper, reside in Del Mar.

ACADEMIC SUPPORT CENTER

The USD Athletic Academic Support Program is designed to promote the academic development of student-athletes. The primary objective is to offer the necessary resources for the academic success of student-athletes as they work to earn their degree. Academic Support Services are designed to enhance the student-athlete's overall collegiate experience and encourage development and attainment of academic and career goals.

All USD student-athletes have access to advising, tutoring and mentoring services. The mentoring program, Access, was developed in 1999 and teams a graduate student in the Counseling program with an athlete who would like to enhance study skills, learn about campus resources and receive guidance on goal development and attainment. Student-athletes also have access to a quiet area where they can study or work in the computer center. In addition, student-athletes are encouraged to utilize the campus learning centers including the Writing, Math and Logic Centers as well as to take advantage of the resources available to them in the Career Center, Counseling Center and Computer Labs.

"The greatest challenge to a Division I athlete is to balance the demands of sport while taking full advantage of the educational experience offered. The purpose of our program is to assist student-athletes in meeting this challenge by offering tutoring, advising, mentoring and a quiet environment to study. The academic support program is designed to assist students in adjusting to life at USD and developing sound academic and career plans. By promoting a philosophy of individual responsibility, which encourages each student-athlete to value their educational experience, the academic support program assists each athlete to realize their full potential."

SETTING

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD's architectural style.

THE CAMPUS

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring major buildings designed in an ornamental 16th century Spanish Renaissance style. Since 1984, USD has completed numerous major construction and expansion projects. Last year the Jenny Craig Pavilion, a 5,100-seat athletic center, opened its doors as home to USD volleyball and basketball. This fall the Joan B. Kroc Institute for Peace and Justice will open on the west end of campus, and a new Science and Technology Center is underway. A five-story, Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories.

ATHLETICS

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. The football team will begin its eighth season in the Pioneer Football League. Women's sports include: basketball, cross country, rowing, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, cross country, golf, football, rowing, soccer and tennis. Since 1990 USD teams have won eleven conference championships; made 28 NCAA post-season appearances; had twenty-seven Conference Coaches of the Year; twenty-two Conference Players of the Year; twelve Conference Freshmen of the Year; four WCC Scholar Athletes of the Year; and thirty-one All-America selections. Two seasons ago, Dylan Ching, USD's all-time career receiving leader, played in the Hula Bowl Senior All-Star game and was drafted in the 3rd round by the CFL's Saskatchewan Roughriders.

ACADEMICS

USD enrolls more than 6,943 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

STUDENT LIFE

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community participating in intramural sports.

DID YOU KNOW ?

Torero Stadium, home to USD football and soccer, also is home to the San Diego Spirit, the women's professional soccer team that recently completed its initial season in the WUSA. With that, Torero Stadium received numerous upgrades that make it one of the best facilities of its size on the west coast.

New seating behind the east endzone, as well as on the south side of the field, expands the stadium seating capacity to 6,000 seats. Torero Stadium also received a new grass turf, new lighting and sound system, and additional press box space.

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams -- the NFL Chargers and the National League Padres play at Qualcomm Stadium. During college football bowl week, San Diego annually hosts the Culligan Holiday Bowl in late December. During 1998, Qualcomm Stadium hosted the Super Bowl game between Denver and Green Bay; followed by the World Series between the San Diego Padres and the New York Yankees. The Super Bowl returns to San Diego in 2003. Whatever sporting activity there is, it's here in San Diego -- the sports capital of the U.S.A.

TOM IANNAZONE *Director Of Athletics*

Tom Iannacone begins his fourteenth year as Director of Athletics at the University of San Diego. He was named Director of Athletics on September 1, 1988 after holding the same position the previous four years at St. Francis College of Pennsylvania.

At USD, Iannacone directs an Athletic Department that includes sixteen NCAA Division I intercollegiate varsity teams, eight men's and eight women's, plus intramurals and recreation.

In the last thirteen years behind his direction and leadership, Torero Athletics has enjoyed successes both on and off the playing field. His accomplishments at USD include improvements in the major areas of personnel, scholarship assistance, facilities, promotions and marketing, fund raising, drug education, academic support, and a university approved plan for scholarship support and sports sponsorship. In addition, he was instrumental in USD gaining membership to the Pioneer Football League, which began play in 1993. He has served on the I-AA Athletic Directors Association Executive Committee; and is past Chairman of the West Coast Conference Athletics Directors Committee.

During Iannacone's tenure, all athletic facilities have seen vast improvements, with numerous projects currently underway. The Jenny Craig Pavilion, a new 5,100-seat multi-purpose facility, opened its doors last season and is now home for USD basketball and volleyball, along with benefiting the entire university community. Torero Stadium, where football, and men's and women's soccer compete, is also home to the WUSA San Diego Spirit, has also benefited recently with expanded seating to 6,000, new lighting and sound system, additional press box facilities, and a new grass turf. Improvements at the Sports Center include complete renovations of both the north and south wings that added offices for administrators and coaches; additional locker rooms for women's basketball, volleyball and women's soccer; an athletic department conference room; and an academic support room. Cunningham Baseball Stadium is currently under demolition and reconstruction, and the Softball Complex has already benefited with new dugouts, scoreboard, batting cages and additional seating, and will also be demolished and reconstructed, also gaining a new scoreboard. Additionally, the Canyon Field received lighting and a complete renovation for intercollegiate practices and intramural use. The Sports Center is also being renovated with new lighting and scoreboards, a new dance floor and new main entrance. The weight training room will undergo a complete renovation this coming year.

On the playing fields, USD has sent thirty teams to NCAA Tournaments since Iannacone's arrival in the Fall of 1988. Additionally, the school has captured twelve conference championships; twenty-nine NCAA All-Americans; eighteen CoSIDA/GTE Academic All-Americans; twenty-seven conference Coaches of the Year; twenty conference Players of the Year; and four West Coast Conference Scholar-Athletes of the Year. Besides having the 1999 NCAA National Champion in women's tennis (Zuzana Lesenarova), the Torero athletic program came out on top of the WCC schools in terms of overall strength in 1999 (based on an unofficial scoring system produced by USD each season). For the first time, the 1998-99 combined men's and women's athletics programs at USD ranked first in the standings. Since 1988 the university has been the host site for NCAA Tournament events for women's volleyball, men's and women's soccer, and women's tennis. This past year USD hosted the WCC Basketball Championships, and will do so again in 2002.

Prior to USD, Iannacone built an impressive list of credentials at St. Francis College as Director of Athletics between 1984-87. His major contributions included the expansion of sports offerings and scholarships for both men and women, improved budgets, renovation of athletic facilities, the hiring of additional staff, and the establishment of a master plan for the future and continual development of athletics. He served on several committees, most notably the Eastern Collegiate Athletic Conference (ECAC) Infractions committee and the Northeast Conference committee on conference development.

He served as assistant Director of Athletics at Fordham University between 1977-84. Along with his administrative duties, he was assistant football coach for the Rams. Between 1975-78, he acted as offensive coordinator and backfield coach as Fordham captured 19 victories in their final 24 games during this span. The '77 squad was and remains the highest scoring team in Fordham history, averaging 34 points per game. In 1983 he was presented the prestigious Jack Coffey Award by the Alumni Association for his outstanding contributions to Fordham athletics. He also served on various Metro Atlantic Athletic Conference committees.

Prior to Fordham, Iannacone taught physical education and coached track and field, and football in Connecticut Public School Districts from 1964-76. He made his collegiate football coaching debut as an offensive backfield coach at Western Connecticut State University in 1974. A 1964 graduate of the University of Connecticut, Iannacone received his master of science degree in physical education from Southern Connecticut State University in 1973.

Tom and his wife, Cynthia, have three children: Tom Jr., Jennifer and Eric. All three are graduates of the University of San Diego.

CoSIDA/Verizon Academic All-Americans

The CoSIDA/Verizon Academic All-America Football Team, selected annually by members of the College Sports Information Directors of America, honors the nation's best student-athletes. Just as the balancing of football and academics is difficult, the standards for nomination and selection to the team are rigorous. To be nominated, a varsity starter or key reserve player must have a minimum 3.200 cumulative grade-point average (on a 4.000 scale).

The program began in the 1950s with honorees in football; later, basketball and baseball all-academic teams were added. Academic and athletics biographical data of nominees are prepared in ballot form and mailed to the CoSIDA membership, who vote in each of eight districts. From the eight district teams comes a national ballot, distributed to the 1,400 members for the final all-academic team.

"The achievements of these young men should truly be commended," said NBC sportscaster Dick Enberg, spokesperson for the Verizon academic all-America team. "I often wonder where college students find the time and energy to play a demanding sport like football, excel in the classroom and be active on campus and in their communities. To me, these are truly all-Americans."
